My name is Nick. My country is Russia. I live in a small town. Our town is not very big, but it is not far from our capital. Not all the streets of our town are long and wide. But they are green and nice in summer. On Saturdays and Sundays there are a lot of people and cars in the streets. The people of our town and from the countries around do shopping.

We can see a lot of people in the parks in our town. In spring and summer there are a lot of grannies and little children in our “Children Park.” Grannies usually sit or walk. And their grandchildren like to play balls, ride small cars, run and jump. This park is the best place for our children.

In summer when it’s hot people like to go to the river. It is not very long and wide, but it’s warm and clean. There is a bridge across the river. Next to the river there is a large field. In summer it is yellow and beautiful.

Some houses in our town are big and tall. But there are small houses too. They have got small gardens with trees and flowers.

There are six schools in our town. My friend and I go to school number six. We are good friends and good pupils. In winter we like to skate and ski.

There was a little boy who lived in our street. His name was Tom. My little sister liked to play with him. So they often played in our yard and in our garden.

But Tom was a naughty little boy and my sister was a naughty little girl. They walked all over the flowers and picked green apples and broke their toys and broke my toys. One day they washed my doll in dirty water and the next day they put Tom's Teddy Bear in the middle of the flower-bed.

One day Tom came to our house with a letter for my sister. He said to Nancy: "This is a letter for you from my mother. Please come to my birthday party. We shall have tea and a big birthday cake".

"I like birthday cakes", said my little sister. She put on her best dress and her white socks and white shoes.

"Don't forget to say 'Please' and 'Thank you,' said my mother.

When my little sister came to the birthday party, she said to Tom's mother: "How do you do? I want some birthday cake."

Tom's mother laughed and said: "Soon all the children will come, and then you can have the birthday cake."

Then the other children came and they all played in the garden. They played hide-and-seek. They sang songs and danced. But my little sister did not want to play. She did not want to dance and she did not want to play.

They took the roses with their hands, and there was chocolate on their hands and on their faces. Then they went into the garden to play with other children.

When Tom's mother saw them, she did not ask any questions. She went to the dining-room and looked at the birthday cake. She was very angry.
